

Day of MOURNING

Last year, 175 B.C. workers died from a workplace injury or disease.

When you lose a loved one, the pain never goes away.

We all have responsibilities to ensure workers and workplaces are healthy and safe.

In 2008, Tracey and Angela's father Michael Phan suffered critical injuries in a gas exposure incident at a mushroom farm in Langley. Michael was injured when he was exposed to toxic gas in a confined space incident. He and a co-worker suffered life-changing brain injuries.
